## Written Feedback

We're proud to celebrate the National Science Day.  
I personally felt very thankful to the  
Thiagarajar College of Preceptors for being  
behind this mission.

Science for the people  
is the motto of this National Science Day.  
Yes, you proved this, by celebrating  
among the children.

Very effective & informative  
questions are asked; Teachers (blossoming  
teachers) are very brilliantly arranged  
this programme.

Thanking for giving us  
a chance to enroll ourselves, with this  
occasion.

Dr. J. S. Srinivasan
